By car coming from München (Munich) / Salzburg

You take the A10 in the direction of Villach/Italy. Leave the A10 at exit 47 - Pongau/Bischofshofen interchange - and take the B311 towards Zell am See. Take the "Bischofshofen Süd" exit and turn right after the bridge onto the B159 towards St. Johann. When you reach the Mitterberghütten district, turn right and you will see the factory on the left-hand side.

By car coming from Villach

You take the A10 in the direction of Salzburg. Leave the A10 at exit 47 - Knoten Pongau/Bischofshofen interchange - and take the B311 towards Zell am See. Take the "Bischofshofen Süd" exit and turn right after the bridge onto the B159 towards St. Johann. When you reach the Mitterberghütten district, turn right and you will see the factory on the left-hand side.

By public transport from all directions

You travel by rail to Bischofshofen. Change at Bischofshofen station and travel approx. 3 km by regional train to the Mitterberghütten district.

Alternatively you can use the City Bus. The Bus travels at every half hour from the station forecourt to the Mitterberghütten district.

You can find the current rail timetables at: <http://www.oebb.at/>
